Praise for ***TRUE VISION 4 SUCCESS***:

Three words sum up my thoughts after reading True Vision- "A Must Read." True Vision is for everyone who has unfulfilled goals in life whether to lose 30 pounds or succeed in business. Bob Natoli is a highly successful serial entrepreneur who generously shares his "true vision" for success with the reader. You owe it to yourself to read True Vision.

-STEVE HANTLER, CHAIRMAN, CENTER FOR AMERICA

I used to think visualization was a New Age practice that was long on dreaming and short on achieving, but Bob Natoli's book has altered my preconceived notions to make a believer out of me. This is a book filled with real-world advice from a man who's been there and done that. Inspiring, practical, encouraging and motivating, "True Vision 4 Success" has become my recipe for achievement
